JAN 28 2020

Dear Governor Whitmer,

Thank you for your letter dated December 12, 2019, inviting me to attend the State of the State address that you will deliver at the Michigan Capitol in Lansing on January 29, 2020.

I am truly honoured to have been invited to this important event as a clear indication of the long-standing friendship between Michigan and Canada. I am unfortunately unable to accept your invitation as my House of Commons responsibilities require me to remain in Ottawa at that time. However, I strongly welcome the opportunity to highlight our special partnership and shared commitment to the Gordie Howe International Bridge project in the very near future.

The Gordie Howe International Bridge is a top priority for the Government of Canada and we recognize the importance of a secure and efficient Windsor-Detroit trade corridor. We too are committed to building safe, secure, environmentally responsible and efficient transportation networks that support global trade and economic growth. The Gordie Howe International Bridge will provide unlimited opportunities for the economies of the United States and Canada, and continue to grow the strongest trading relationship in the world.

Michigan is our valued and equal partner in this important project. We not only share a critical border, common values and a rich history; we also share the world's most highly integrated economies. To that end, I am grateful that you and your administration are doing everything within your power to ensure the successful delivery of this once-in-a-lifetime infrastructure project.

Sincerely,
